Applying for an Internship in Software Engineering.

I am Nimesh Ranatunge and I am an undergraduate in BSc in Computer Science at The University of Colombo School of Computing. I am looking for an Internship in Software Engineering as a part of my degree and I believe your company is a great fit for interns who are willing to learn and start a bright career in the Software Engineering field. I am enthusiastic about full-stack development and Software Engineering and interested in problem-solving.

I am a self-motivated and responsible person with fast learning and excellent interpersonal skills with the ability to work well in a team environment using my own initiative and a person with the ability to adapt to all challenging situations. I am highly motivated to work under the guidance of Arimac Lanka Pvt Ltd and excited about the opportunity to leverage my unique range of skills to start a career in the Software Engineering field. I hope you would pay attention to my cv and consider taking me as an intern in your company.

Thanks in advance!

Sincerely,

Nimesh Ranatunge
